## Los orígenes de la pretensión cristiana: Curso básico de cristianismo. Volumen 2 (Ensayo nº 456) (Spanish Edition) Luigi Giussani

Este libro se propone poner frente al lector lo que pretende ser la hipótesis cristiana. Con este objeto, después de haber indicado algunas de las actitudes más significativas que ha tenido la creatividad humana para entrar en relación con lo divino, el autor centra su atención en el cambio radical de método religioso determinado por Jesucristo, como hecho en la historia. Se nos pone, ante todo, en condiciones de comprender los términos de dicho cambio radical y de reconocer su carácter ineludible; tras lo cual el lector se descubre recorriendo paso a paso, siguiendo la experiencia de quienes conocieron a Jesús, las posibles trayectorias de la persuasión o del rechazo; alternativas cuyas implicaciones metodológicas van siendo paulatinamente señaladas, haciendo así accesible, además de un correcto acercamiento al problema, un ensimismamiento apasionante.
