There is nothing like this! This devotional journal series, complete with full-color, fun "doodled" artwork throughout, offers an authentic and often hilarious look into the life and issues of an average 11-year-old girl. An interactive devotional page following each fictionalized journal entry allows the reader to respond with her own thoughts and prayers. Since kids learn so much from watching their peers, this is a great way to offer them some positive influence--and a lot of fun. A perfect devotional tool for girls ages 8-12 who are learning about their own spiritual journeys.

#3 Mel & Les, More or Less Mel Frink and Leslie Randalls are both going into the sixth grade. The two become pen pals and send letters, cards, e-mails, and Quick Clicks to each other, sharing the details of some troublesome relationships.
