## My Goat Ate Its Own Legs Alex Burrett

In a voice so unfailingly chipper it's suspicious, Alex Burrett poses in fiction some disturbing yet certainly possible futures for the human race (and other ambitious, earthbound mammals). Always ready with an impeccable phrase or a sly wink, he shares stories of the most darkly ironic sort, including a field report from a human abattoir, a chronicle of dating Death, and, of course, the tale of the goat that ate its own legs. These thirty brilliant, bizarre, and morbidly hilarious "tales for adults" will delight anyone who doesn't take life (or death) too seriously.
