The Defender

Jordan Conn

The Defender Jordan Conn

Manute Bol was the first African-born player in the NBA and, at seven foot seven inches, the tallest. In the 1980s and 90s he was also among the league's most fearsome shot-blockers and its most beloved figures. Off the basketball court, however, Bol's story was more remarkable than most fans ever knew. Activist, gambler, joker, rebel-Bol was a complex man whose fate was inextricably bound with that of the Sudan, his homeland. Writer Jordan Conn traveled to southern Sudan to explore Bol's remarkable path from Africa to the NBA, his rise to stardom and fall into obscurity, and his final role as a renowned humanitarian and key figure in his homeland's independence. Conn's account is a funny and moving portrait of a man who lived a life befitting his outsized body.

Jordan Conn is a freelance journalist based in the San Francisco Bay Area. He contributes regularly to SI.com, and his work has appeared in *The New York Times*, *Sports Illustrated*, the *San Francisco Chronicle*, the *Philadelphia Inquirer*, *Slam*, and *Draft*, among others.
