Why Be Catholic? Marcellino D'Ambrosio

Marcellino D'Ambrosio What do you say to a person who believes in God but doesn't see the need for organized religion? How about to the Catholic who prefers going to a Protestant Church because the preaching and music are so much better? The Catholic Church has had it's share of scandals and problems over the years. So, if you can have a personal relationship with Jesus, know God as Father, are filled with the Spirit and read the Bible, why bother being Catholic? When Marcellino D'Ambrosio and a group of his teenage, rock n' roll friends discovered the excitement of following Christ, these were the questions they had to wrestle with. Some left the Catholic Church. This talk contains the answers that Marcellino discovered that kept him in the Church and led him to become a Catholic theologian. This is a great audio to give anyone who wants to be able to answer this critical question effectively--Why Be Catholic? Dr. D'Ambrosio is the director of the Crossroads Initiative (www.crossroadsinitiative.com)
