Families That Camp Together, Stay Together. Camping is one of those activities you just have to try at least once in your life. Gone are the days when camping was boring and a bit unsafe. Technological advancement and inventions have made things easier even when it comes to this activity. You may be interested in trying camping but are worried about the dangers involved or don't know where to begin. This book provides you with a beginners guide to camping which can basically tell you all you need to know about it before you make the first step. In addition to that, it looks at the various camping supplies and equipment you require to make your trip a smooth and enjoyable one. One of the things many people look forward to with regard to camping is the cooking part. Who knew outdoor cooking can be such fun? This book contains the various recipes you can prepare when camping. They are easy and tasty meals which take very limited time to prepare. Given the fact that Dutch oven cooking has become popular especially among campers, it goes a step further and gets in to the different Dutch oven recipes you can try out too. With these great tips, camping will never be the same again.
