## **Ironies of Colonial Governance: Law, Custom and Justice in Colonial India (Cambridge Studies in Law and Society) James Jaffe**

The Indian village, or panchayat, has long held an iconic place in India. *Ironies of Colonial Governance* traces the history of that ideal and the attempts to adapt it to colonial governance. Beginning with an in-depth analysis of British attempts to introduce a system of panchayat governance during the early nineteenth-century, it analyses the legacies of these actions within the structures of later colonial administrations as well as the early nationalist movement. Particular attention is paid to the ways in which the ideologies of panchayat governance evolved during this period and to the transnational exchange and circulation of panchayat ideologies.
