Imagine, in today's world, riding on horseback to deliver a message instead of posting a letter. Imagine travelling from one place to another in constant danger of being robbed - or worse. 'The Talisman' gives the reader an insight into the life and times of mediaeval England, through the eyes of one of the king's most trusted knights - Sir Geoffrey Brabant. This entertaining collection of stories of knights, highwaymen and pirates, and even traditional fairy tales, feeds and fuels the imagination.
