The Delta Solution Patrick Robinson

The Delta Solution is an action-packed novel dealing with the Somali pirates operating off the southerly reaches of the lawless East African republic on the Indian Ocean.

For the past three years, these heavily armed tribal brigands have been capturing and holding for ransom massive cargo ships, especially oil tankers, and violently demanding millions of dollars for their return. Pirating out of the tiny Somali village of Haradheere has become a very lucrative, dangerous business, so much so that the village has its own Stock Exchange with a reputed \$78 million cash, all in crisp \$100 bills, in the town vault. And each time an owner pays big for the return of their ship, the pirates immediately do it again, enraging the Pentagon more and more by the day.

That is, until the "Somali Marines" make a big mistake, seizing at gun point two United States ships and demanding a \$15 million ransom for their return.

Hero Mack Bedford, previously encountered in *Diamondhead* and *Intercept*, is deployed to SEAL Team 10 to form The Delta Platoon. His objective: obliterate the Somali Marines in the middle of the Indian Ocean, at all costs, once and for all.
