International Code Council

2006 International Fuel Gas Code: Code & Commentary (International Code Council Series)

International Code Council

Straightforward and easy to understand, this comprehensive book provides a useful reference for the regulations contained within the 2006 International Fuel Gas Code. This book goes beyond the requirements and regulations listed in the code's full text to explore its important implications through the addition of commentaries. These commentaries offer effective methods of applying the code, as well as information on the consequences of not adhering to it. Highlighted with tables and figures to illustrate important concepts, the 2006 IFGC: Code and Commentary is the perfect resource for code officials, engineers, architects, inspectors, plan examiners, contractors, and anyone interested in advancing their knowledge of the IFGC.
