Children of the Wolf Jane Yolen

Inspired by true events, the story of two girls raised by wolves

Mohandas lives in the Home, a Christian orphanage in Godamuri, India, close to the jungle. The people of Godamuri beg the orphanage's director, the Reverend Mr. Welles, to get rid of the ghosts, called *manush-bagha*, haunting their village. When the Reverend investigates, he discovers that the "ghosts" are really two human girls living with a pack of wolves. Mohandas's life is altered forever when the Reverend brings the two girls to live at the orphanage. Reverend Welles is sure that with time and attention, the girls will learn to speak and become civilized. But the other children do not like these strange creatures who walk on all fours, refuse to wear clothes, eat raw chicken, and howl at the moon. Only Mohandas is willing to show the wolf-sisters a little kindness. But is kindness enough to make them human?

This ebook features a personal history by Jane Yolen including rare images from the author's personal collection, as well as a note from the author about the making of the book.
