Choosing the Right College 2012-2013: The Whole Truth about America's Top Schools John Zmirak
Choosing the Right College is the most in-depth, independently researched college guide on the market, and the only source for students and parents who want the unvarnished truth about America's top colleges and universities.

Updated and expanded, *Choosing the Right College 2012-13* features incisive essays, telling statistics, and revealing sidebars on 140 schools—Ivy League institutions, state universities, liberal arts colleges, religious schools, military academies, and lesser-known schools worth a careful look.

Here you'll discover information you can't get anywhere else about the intellectual, political, and social conditions at each institution, including:

- Insider tips on the best—and worst—departments, courses, and professors
- The statistics that colleges don't want you to know
- A unique “traffic light” feature—red, yellow, or green—that reveals the state of intellectual freedom and the extent of political correctness on campus
- The truth about day-to-day student life: the social scene, living arrangements, campus safety, clubs, sports, traditions, and much more
- A roadmap for getting a real education at any school, whether a huge state university or a tiny liberal arts college
- Essential financial information, including the extent of need-based financial aid and the average student-debt load of graduates
- The most overpriced colleges—and the good values you don't know about

"Practically every aspect of university life that a potential student would want to investigate can be found within these pages."—THOMAS E. WOODS JR., Ph.D., bestselling author of *Meltdown*
