**Criminal Law (John C. Klotter Justice Administration Legal)** Joycelyn M. Pollock

This classic introduction to criminal law for criminal justice students combines the best features of a casebook and a textbook. Criminal Law covers substantive criminal law and explores its principles, sources, distinctions, and limitations. Definitions and elements of crimes are explained, and defenses to crimes are thoroughly analyzed. A unique strength of Criminal Law is its discussion of the federal criminal code and the specific recognition of the common-law origins of modern law.
