When Jay loses their home and business in the financial crash and Pandora's job as a TV panellist comes under threat, the appearance of an archangel seems to be just the good omen they need. The message he brings, however, forces Pandora to disappear on a secret mission to fulfil a prophecy, endangering both her relationship and a precious gift she's been given. Events bring Pandora to her knees, but the light at the end of the tunnel may yet lead her to a miracle. It wouldn't be a Pandora story without romance, transformation, suspense and a touch of the fantastic. True to form, this final book of the series provides all these elements and more.
