The Holy Spirit is always at work in the life of a believer. He chooses to work, however, in each individual life almost like a tailor-made suit—one that is custom-fit for the individual. His perfect fit is designed to draw attention to our best features and diminish our weaknesses.

Clothed with Power helps you explore how the Holy Spirit is at work in every area of your life. Designed as a six-week interactive study, national best-selling author and prayer expert Jennifer Kennedy Dean uses the symbolism of the Old Testament priests' garments to show you anew how your salvation has always been a part of God's redemptive plan. And, how it is through that salvation that the Holy Spirit is the living Jesus in you now—making you fit for heaven's work here on earth.

An accompanying DVD to this study is also available.
