Personally I like two types of men: Domestic and foreign. Right now I think censorship is necessary. The things they are doing and saying in films right now just should not be allowed. There is no dignity anymore and I think that is very important. Save a boyfriend for a rainy day and another boy in case it does not rain. To put it bluntly, I seem to have a whole superstructure with no foundation. But I am working on the foundation. What do I wear in bed? Why, Chanel No. 5, of course.
