Mahoma: La historia del último profeta (Spanish Edition) Deepak Chopra

Deepak Chopra nos ofrece la apasionante biografía de uno de los más grandes profetas: Mahoma.

Esposo y padre de familia, Dios le habla a través de arcángel Gabriel para encomendarle una peligrosa tarea: convencer a su pueblo de que renuncie a sus ídolos ancestrales y a la veneración de múltiples dioses para confiar en un dios único.

Huérfano desde los seis años, Mahoma creció en una enorme familia, convirtiéndose en un excelente comerciante. Si bien Mahoma no se consideraba el hijo de un Dios ni un iluminado, esta magnífica novela da cuenta de la vida de un ser humano ordinario, al que le ocurrió algo totalmente extraordinario que dio origen a una nueva religión, el islam, la segunda en importancia hoy en todo el mundo.

Partiendo de detalles históricos, Deepak Chopra hace vivir al profeta a través de los ojos de quienes lo rodeaban. Cada voz, cada capítulo nos ofrece la vida de Mahoma y la creación del islam bajo una nueva luz. Es la historia poco conocida de un hombre y un momento histórico que cambiaron el mundo para siempre.

Reseñas:

«Estoy agradecido porque Deepak Chopra, en vez de agregar una inútil biografía más de Mahoma, ha creado en cambio una absorbente novela basada en la vida de Mahoma. Los lectores van a estar mejor informados tanto sobre el profeta como sobre el islam, la segunda religión más grande del mundo.»

Harvey Cox, profesor de Teología de la Universidad de Harvard

«El libro ofrece al lector una lección de historia que refleja la actual relación entre el islam y el resto del mundo... Contada de manera atrayente, también ayuda, especialmente a los no musulmanes, a entender mejor las complejidades y contradicciones que rodean al islam.»

Booklist

«Una de las biografías de Mahoma más imaginativas y emocionantes.»

Publishers Weekly
