The New ABA Program Companion: What's Next for Your ABA Program? J. Tyler Fovel

This essential manual for ABA programs has been completely revised and expanded. Blending clear explanations of scientifically-based concepts and methodology, extensive clinical examples and advice, and suggested implementation protocols, the book provides a practical, comprehensive source for creating professional and effective student programs. Chapters cover: essential qualities of an effective ABA program, trans-disciplinary teamwork, curriculum selection and development, program writing and revision, strategies for attention and engagement, prompts, error- correction, and reinforcement, progress evaluation, data-based decision-making and many other vital topics. Training packages for implementers, forms, and a six-month subscription to the new online program development and management software, ABA Program Companion 3.0, is also included.
