Verso altri cieli (Italian Edition) Floriana Porta

Nella silloge *Verso altri cieli* di Floriana Porta si amalgamano e s'intrecciano "sillabe di poesia", accarezzate da venti disordinati, sfavillanti luci e mutevoli ombre. Dominano i silenzi, le solitudini, le memorie e "le parole appena sussurate". È un libro intenso, surreale, dallo stile incisivo e sintetico, che parla all'anima, dove la parola "si muta in poesia" e va dritta al cuore del lettore. In questo delicato equilibrio prendono vita le voci e i respiri della poetessa, in un canto che si espande in spazi aperti, verso cieli infiniti, "là, sulla linea dell'orizzonte", per arrivare fin giù, in fondo alla carne, e dappertutto. Immagini vive, toccanti, in eterno movimento, affidate alla poesia. Una poesia nuda, senza maschere e senza macchie. Che dà voce ai sogni e alla follia, "e canta il nulla, lo combatte e lo distrugge con un calmo incantesimo". Inventando immagini, senza mai fermarsi. Floriana Porta nasce a Torino nel 1975, ove vive e scrive. Artista eclettica e visionaria, fin da bambina manifesta una grande passione verso il disegno e la poesia. Partecipa ad alcune mostre collettive e personali di pittura (acquerello), fotografia e poesia visiva, prediligendo i paesaggi onirici e le forme astratte. Sempre attenta alla poetica della simbiosi tra la natura e l'uomo, segue un percorso intimista alla continua ricerca di un pathos emozionale, in una dimensione "sospesa", senza tempo. Ha pubblicato finora due sillogi poetiche: *Il respiro delle ombre* e *Quando sorride il mare*. È presente in varie antologie poetiche (*Sogni e Visioni – Collana DieciLune* della Bel Ami Edizioni che contiene dieci poesie dell'artista dense di spiritualità; *Luoghi di Parole*, *Verrà il mattino e avrà un tuo verso* e *Habere Artem* della Aletti Editore che contengono alcune sue intense poesie e brevi haiku), su riviste letterarie e siti web. Dal 2011 è membro della giuria del prestigioso Concorso Internazionale di Poesia Haiku in lingua italiana dell'Associazione culturale Cascina Macondo.

From reader reviews:

Carmen Jensen:

Reading a book tends to be new life style in this era globalization. With examining you can get a lot of information that may give you benefit in your life. Having book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their very own reader with their story or maybe their experience. Not only the storyline that share in the textbooks. But also they write about the information about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors on earth always try to improve their talent in writing, they also doing some analysis before they write with their book. One of them is this Verso altri cieli (Italian Edition).

Marie Heidelberg:

Your reading sixth sense will not betray you actually, why because this Verso altri cieli (Italian Edition) publication written by well-known writer who really knows well how to make book that may be understand by anyone who read the book. Written in good manner for you, dripping every ideas and publishing skill only for eliminate your current hunger then you still uncertainty Verso altri cieli (Italian Edition) as good book not simply by the cover but also from the content. This is one book that can break don't assess book by its handle, so do you still needing a different sixth sense to pick this!? Oh come on your examining sixth sense already said so why you have to listening to one more sixth sense.

Evelyn Roberts:

Reading a book to be new life style in this year; every people loves to examine a book. When you learn a book you can get a wide range of benefit. When you read ebooks, you can improve your knowledge, simply because book has a lot of information in it. The information that you will get depend on what forms of book that you have read. In order to get information about your review, you can read education books, but if you act like you want to entertain yourself read a fiction books, such us novel, comics, in addition to soon. The Verso altri cieli (Italian Edition) will give you new experience in reading through a book.

Daniel Adams:

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library or to make summary for some publication, they are complained. Just small students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Verso altri cieli (Italian Edition) can make you sense more interested to read.
