### Christina's Ghost Betty Ren Wright

Christina is not looking forward to spending the summer with Uncle Ralph. She dreads the long days in the spooky, isolated Victorian mansion, especially because Uncle Ralph dislikes her and there are no children nearby to play with. Things change, however, when she sees the ghostly figure of small, sad boy who mysteriously disappears before she can talk to him. Convinced that he's a ghost, Christina sets out to discover why he's there. Could he be linked to the murders that happened in the house thirty years before? And what evil, chilling presence is lurking in the attic? Betty Ren Wright adroitly combines a suspenseful tale of the supernatural with the touching story of two very different people who learn to like each other.
