## **Daggers Unsheathed: The Political Assassination of Glen Clark** Judy Tyabji

*Daggers Unsheathed: The Political Assassination of Glen Clark* is the story of the Glen Clark era in British Columbia politics. From the 1995 announcement of his NDP leadership aspirations to the day in 2002 when he was acquitted of criminal charges in a BC court, Glen Clark was the dominant personality in West Coast politics. Clark's style and politics as premier of BC ensured that everyone had a reaction to him. Opinions varied widely and emotions ran high, not only among opposition politicians, but also within his own party, the media, the public, and even, some say, the RCMP. Drawing on a wide range of interviews, access to the former premier's family, and an extensive review of media files, Judi Tyabji Wilson describes the forces that contributed to Clark's demise, including his own role in the process. Tyabji Wilson's political and media experience, combined with her first-hand knowledge of many of the players and the games they play, makes her the ideal person to tell this story.

*Daggers Unsheathed: The Political Assassination of Glen Clark* digs deep and gives no quarter as it takes the reader on a journey through the backrooms of politics and behind the curtains of power. Entertaining and honest, it offers a clear and candid perspective on BC politics.
