Dr. Finn Colton thought he'd left his past behind. But once he sets foot in Honey Creek, Montana, after years away, he sees that *some* things never change. The Colton family unit is still fragile. The woman who'd destroyed his heart ages ago still gets past his defenses. And the deceit that tore them apart is still a mystery.

Rachel Grant can't forget how loving Finn had led to destruction. Nor can she forget what his smile, his touch, stirs in her. With a devastating storm racing toward them and that long-ago treachery itching to resurface, everything Rachel cares about is at risk— including her future with Finn.
