Alix, Courtney and Fern aren't 'bad' girls. They're respectable sixth form students who've hit on a great way to pull in good money. They can buy designer gear, holiday abroad, and aren't even out of place at a millionaire's party. As long as they follow their own 'rules', and keep themselves safe, who cares how they earn the extra cash? No one's going to get hurt. Or are they . . . ?

A gripping story of teenage girls who use sex to make money - and then find that money is not after all going to resolve all ills.
