Houses of Mexico: Origins and Traditions

Verna Cook Shipway, Warren Shipway

Houses of Mexico: Origins and Traditions Verna Cook Shipway, Warren Shipway

Houses of Mexico delves into the roots of the bold yet elegant Mexican style, illustrated with many photographs from Spain and Portugal reflecting the Moorish influence. In addition to extensive coverage of the architecture of the houses, the book shows other spatial and decorative elements, including iron gates and grilles that give an atmosphere of seclusion; stairways that seem to grow out of the walls without any support; and old paintings, combs, ceramics, and character figures used in festivals, as well as ancient pre-Columbian figurines.
