Mr Hire's Engagement (Penguin Modern Classics)

Georges Simenon

Mr Hire's Engagement (Penguin Modern Classics) Georges Simenon

Georges Simenon's chilling portrayal of tragic love, persecution and betrayal.

'One sensed in him neither flesh nor bone, nothing but soft, flaccid matter, so much so that his movements were hard to make out. Very red lips stood out from his orb-like face, as did the thin moustache that he curled with an iron and looked as if it had been drawn on with India ink; on his cheekbones were the symmetrical pink dots of a doll's cheeks.'

People find Mr Hire strange, disconcerting. The tenants he shares his building with try to avoid him. He is a peeping Tom, a visitor of prostitutes, a dealer in unsavoury literature. He is also the prime suspect for a brutal murder that he did not commit. Yet Mr Hire's innocence will not stand in the way of those looking for a scapegoat as tragedy unfolds in this quietly devastating and deeply unnerving novel.

'Compelling, remorseless, brilliant.' - John Gray

'One of the greatest writers of the twentieth century . . . Simenon was unequalled at making us look inside, though the ability was masked by his brilliance at absorbing us obsessively in his stories.' - The Guardian

'A supreme writer . . . unforgettable vividness.' - The Independent

From the Trade Paperback edition.
