Children love to solve puzzles, fill in the blanks, find words and connect the dots. They will find loads of fun activities such as these, and more, in this unique activity book. What makes it special, though, is that the activities have a specifically Catholic religious theme, i.e., prayers, saints and making the sign of the cross. The activities are clever and challenging and are illustrated with charming, inviting art work. The sheets themselves are reproducible and are aimed at children from kindergarten through third grade. This book is a terrific gift and the perfect way to teach the Catholic faith to parochial school children, CCD students, and Sunday school and children's liturgies participants.
