"...to know just how to handle and manipulate the saw or the plane or the chisel to effect the desired result with a minimum of effort and without injury to either tool or material - that is knowledge worth having..."

Woodwork Tools was published c1922 as part of The Woodworker Series, by Evans Bros., London.

Authored by William Fairham, a well-respected practicing woodworker and technical school instructor.

Woodwork Tools introduces both the basics of hand tool use as well as advanced techniques. Intended for Manual Arts classes, Woodwork Tools presents the practical skills needed by woodworkers of any skill levels. The Toolemera Press re-publishes classic books on early crafts, trades and industries, from our personal library.
