Bluestown Mockingbird Mambo Sandra Maria Esteves

In this third collection of verse, Esteves takes all of the rhythmic, bluesy potential and the women's poetic militancy of previous works and brings them to full, resplendent, funky bloom, blending the oral and literary traditions in a fusion of spiritual, blues and women's poetics. "Esteves speaks with punch and politically-astute vigor about the realities of the urban poor. More importantly, however, the poetry draws a big distinction between one being economically poor and spiritually and culturally repressed" (Poetry Flash).
