Aimée Thurlo takes readers on a thrilling ride through Copper Canyon...

Detective Preston Bowman had a Navajo gift for sensing danger. And the danger stalking Abby Langdon was undeniable. But nothing could force her off the Sitting Tall Ranch she'd built for disabled children—not even her own near-death experience....

Alone on her isolated ranch, she had no one to trust—no one but Preston. And as the risk intensified, so did her desire for the strong, silent lawman. But Preston was from a different world. Even if he could keep everyone on the ranch safe...she couldn't say the same for her heart.
