While hairstylist Melody Pullman has no problem keeping clients in her chair, she can't keep her bills paid once her crack-addicted husband Big Steve steps through a revolving door leading in and out of prison. She soon finds what seems to be a sexual and financial solution when she becomes involved with Larry, the husband of one of her longtime clients. Larry, weary of dealing with his disabled wife and her needs, sees Melody as a release, a guilty pleasure. But does Larry have what it takes to hold on to her when another suitor steps on the scene and challenges him?

A little puddin' is always good after a meal . . . unless it belongs to someone else.
