## **The Church Without Walls** Thomas S. Goslin

Thomas Goslin, the founding pastor of the Community Church (English Speaking - primarily US origin) of Madrid (Spain), makes a powerful presentation for a form of church planting that is not tied to immediate or future plans for the building, buying, and maintaining a traditional brick and mortar church. Drawing from Tom's abundant experience with traditional congregations and the Community Church of Madrid, he explores the benefits to the ministry and mission of his large congregation worshipping on a permanent basis in a variety of locations, all for much fewer resources than required by traditional building-based congregations. A well balanced book, Tom does not hold up this approach as appropriate for every situation, but he makes a compelling case for broader use of "The Church Without Walls. This book is a good read for anyone interested in church planting, church growth, evangelism, and mission.
