The Science of Getting Rich Wallace D. Wattles

As featured in the bestselling book *The Secret*, here is the landmark guide to wealth creation republished with the classic essay “How to Get What You Want.” Wallace D. Wattles spent a lifetime considering the laws of success as he found them in the work of the world’s great philosophers. He then turned his life effort into this simple, slender book – a volume that he vowed could replace libraries of philosophy, spirituality, and self-help for the purpose of attaining one definite goal: a life of prosperity. Wattles describes a definite science of wealth attraction, built on the foundation of one commanding idea: “There is a thinking stuff from which all things are made... A thought, in this substance, produces the thing that is imaged by the thought.” In his seventeen short, straight-to-the-point chapters, Wattles shows how to **use** this idea, how to **overcome** barriers to its application, and how work with very direct **methods** that awaken it in your life. He further explains how **creation and not competition** is the hidden key to wealth attraction, and how your power to get rich uplifts everyone around you. *The Science of Getting Rich* concludes with Wattle’s rare essay “How to Get What You Want” – a brilliant refresher of his laws of wealth creation.
