What makes men so different from women? And why do so many relationships fail? Learn what men think about women, and how to use this information to improve your relationships.

Act Like a Lady, Think Like a Man is Steve Harvey's handbook to explain what women can do to have healthier, understanding relationships that will last. He gives the inside scoop on the inner-workings of a man's brain, and reveals what motivates them both professionally and personally. He also tries to help women understand how they can spot the difference between the right kind of guy and the wrong kind. If they follow the advice in this book, women will be able to give men what they need in a relationship, and get what they need from men in return.

You will learn:

- The three most important things you need to give a man in your relationship
- What you can do to attract the kind of man you want
- How you can set standards that will make men respect you.
