Among Other Things, I've Taken Up Smoking Aoibheann Sweeney

Critically acclaimed by reviewers across the country, Aoibheann Sweeney's beautifully written debut novel is a story of the profound human need for intimacy. For Miranda, the adolescence spent in her fog-shrouded Maine home has been stark and isolated? alone with her troubled father, a man consumed with his work translating Ovid's *Metamorphoses*, her mother mysteriously gone from their lives. Now, having graduated from high school, Miranda's father arranges for her to stay with old friends in Manhattan, and she embarks on a journey that will open up her father's past?and her own world?in ways she cannot begin to imagine.
