Jennifer L. Holm

Eighth Grade Is Making Me Sick (Ginny Davis's Year in Stuff) Jennifer L. Holm

Part graphic novel, part scrapbook and altogether original-New York Times bestselling author Jennifer Holm's *Eighth Grade Is Making Me Sick* is just right for fans of *Diary of a Wimpy Kid*, *Dork Diaries* and *Babymouse!* Ginny has big plans for eighth grade. She's going to try out for cheerleading, join Virtual Vampire Vixens, and maybe even fall in love. But middle school is more of a roller-coaster ride than Ginny could have ever predicted. Her family has just moved into a fancy new house when Ginny's stepdad loses his job. (Can worrying about money make you sick?). Ginny's big brother keeps getting into trouble. And there's a new baby on the way. (Living proof that Ginny's mom and stepdad are having sex. Just what she needs.) Filled with Post-its, journal entries, grocery lists, hand-drawn comic strips, report cards, IMs, notes, and more, *Eighth Grade Is Making Me Sick* is the sometimes poignant, often hilarious, always relatable look at a year in the life of one girl, told entirely through her stuff. From the Hardcover edition.
