As a college student exactly feel bored to help reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to the library. They go to there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country.
