Party Headquarters Georgi Tenev

Winner of the Vick Foundation Novel of the Year Award in 2007, *Party Headquarters* takes place in the eighties and nineties, during Bulgaria's transition from communist rule to democracy.

The book—which is a love story, a parody, and a thriller about a political hoax—opens with the main character visiting his father-in-law, an old communist party boss who is dying, and being tasked with delivering a suitcase filled with one-and-a-half million euros.

It's one of Bulgaria's most popular myths: As the communist party fell apart, high ranking officials squirreled away bags and suitcases containing a significant portion of the country's wealth, and that these bags are still circulating through Europe, waiting to be delivered to various conspirators.

But this is just the beginning of the corruption and inequality that plagued Bulgaria during this time. While immersing himself in pornography and prostitution, the hero of *Party Headquarters* reflects back on his life and the emblematic events that took place around that time—the anticommunist protests, the arson attack on the Communist Party Headquarters in Sofia, and, most tragically and crucially, the Chernobyl disaster, during which the families of party officials were sheltered away and fed special, safe food, while the regular citizens suffered.

Beautiful and tragic, *Party Headquarters* is an engrossing testament to the struggles that haunted Bulgaria after the fall of the Soviet Union, many of which continue to resonate today.

Before penning the Vick Prize-winning novel *Party Headquarters*, **Georgi Tenev** had already published four books, founded the Triumviratus Art Group, hosted *The Library* television program about books, and written plays that have been performed in Germany, France, and Russia. He is also a screenwriter for film and TV.

Angela Rodel earned an MA in linguistics from UCLA and received a Fulbright Fellowship to study and learn Bulgarian.

From reader reviews:

Sandra McLean:

As people who live in the modest era should be upgrade about what going on or details even knowledge to make them keep up with the era which can be always change and move forward. Some of you maybe will certainly update themselves by looking at books. It is a good choice for you but the problems coming to an individual is you don't know what type you should start with. This Party Headquarters is our recommendation to help you keep up with the world. Why, because book serves what you want and want in this era.

Heather Wade:

Nowadays reading books be a little more than want or need but also work as a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The details you get based on what kind of guide you read, if you want send more knowledge just go with training books but if you want sense happy read one with theme for entertaining for instance comic or novel. Typically the Party Headquarters is kind of book which is giving the reader unforeseen experience.

Vicki Head:

Reading a book can be one of a lot of exercise that everyone in the world likes. Do you like reading book so. There are a lot of reasons why people fantastic. First reading a guide will give you a lot of new details. When you read a publication you will get new information mainly because book is one of a number of ways to share the information or maybe their idea. Second, studying a book will make anyone more imaginative. When you reading a book especially fictional works book the author will bring one to imagine the story how the figures do it anything. Third, you are able to share your knowledge to some others. When you read this Party Headquarters, you could tells your family, friends as well as soon about yours book. Your knowledge can inspire different ones, make them reading a book.

Marianne Stromain:

As we know that book is vital thing to add our knowledge for everything. By a e-book we can know everything we want. A book is a range of written, printed, illustrated or maybe blank sheet. Every year has been exactly added. This book Party Headquarters was filled about science. Spend your spare time to add your knowledge about your scientific research competence. Some people has various feel when they reading a book. If you know how big benefit of a book, you can feel enjoy to read a e-book. In the modern era like today, many ways to get book that you simply wanted.
