The Chimney Tree Helaine G. Helmreich

The eldest daughter of the Rabbi of Dubnitz had always been a little different. Not satisfied with the mundane expectations of her friends, she refuses the suitors she is offered by her family. Yet Miriam's daring draws her down forbidden paths; when a romantic liaison with a young Christian peasant is discovered, she is quickly married to a man from another town and sent away. His cruelty and madness send her fleeing to Warsaw, where she finds the love she has been looking for. Centered finally, with a new, loving husband, a flourishing business, and a beloved child, Miriam makes peace with her parents and begins life anew, but when the distant rumbles of Nazism become the roaring maelstrom of World War II, she is faced with the loss of everything she holds dear. Separated from her husband and son, can she possibly survive a world gone mad to find them again?
