**Call If You Need Me: The Uncollected Fiction and Other Prose (Vintage Contemporaries)** Raymond Carver

Raymond Carver's complete uncollected fiction and nonfiction, including the five posthumously discovered "last" stories, found a decade after Carver's death and published here in book form for the first time.

*Call If You Need Me* includes all of the prose previously collected in *No Heroics, Please*, four essays from *Fires*, and those five marvelous stories that range over the period of Carver's mature writing and give his devoted readers a final glimpse of the great writer at work. The pure pleasure of Carver's writing is everywhere in his work, here no less than in those stories that have already entered the canon of modern literature.
