Finding Common Ground: How to Communicate with those Outside the Christian Community...While We Still Can. Tim Downs

"In more than twenty-five years of ministry and communicating, I have never heard a more concise, graphic, and articulate communicator. Tim is a man of integrity and a man committed to making an impact for Christ in his world." — Stu Weber, pastor and author

In a world that's growing more hostile to the gospel, what can Christians do? How can we communicate with our unbelieving friends and coworkers in a way that won't seem pushy, intolerant, or judgmental? In a world that's heard it all before and no longer seems to care, where do we begin?

By sowing.

In *Finding Common Ground*, Tim Downs reminds us of the forgotten biblical art of sowing and shows us practical and effective ways to:

- Bring up spiritual subjects with busy and distracted people
- Use secular movies and books to talk about biblical ideas
- Overcome prejudice and stereotypes in our listeners
- Keep open doors of communication with even hostile opponents
- Move everyone we meet a step closer to the gospel
