Me and My Mom and Her Alzheimer's Jeannette Grindele

This book is for those who may have loved ones developing Alzheimer's and are in a state of confusion. The author was in that same state until she did much research when her own mom began having unusual symptoms. Like forgetting how to perform even the simplest household duties such as using an electric can opener, or making coffee or tea. The author hopes her personal experience will benefit others. It's all about making sure the family stays together, stands together, and becomes stronger. In every family, there are hearts that truly care.
