## **Awakened (Resilient Book 2)** Patricia Vanasse

In an attempt to protect their families, Livia and Adam set out in a search for answers that would change their lives forever. While on the run, Livia and Adam crossed paths with Daniel, who had been searching for genetically enhanced teens. But getting out from under The Agency's radar has not been easy. After being ambushed by the leader of The Agency that created them—a desperate attempt to claim what they lost just over a decade earlier—Livia was forced to leave Adam behind, barely escaping to safety with Daniel.

Now under the control of The Agency, Adam is serving the purpose for which he was created. Manipulated to forget his love for Livia and his past, he lives a life crafted by fake memories that enslave him to a life of following the orders of the agency. Now Adam battles with vivid “dreams” of a life he does not remember and the strong connection he feels to the girl with familiar blue eyes. The desire for vengeance propels Livia and Daniel into a dangerous race to disrupt the destructive string of events that The Agency initiated seventeen years earlier. As they travel across parts of North America in search of other teens who are just like them, Livia will face an ethical battle over genetics, loyalty, and love. The race is on, and it is up to Livia to destroy The Agency and rescue Adam, but even if she succeeds at saving him, there are no guarantees she'll be able to save the deep connection they once shared.
