In Praise of Adya Kali: Approaching the Primordial Dark Goddess Through the Song of Her Hundred Names Aditi Devi

In Praise of Adya Kali details the goddess Kali, and her culture of devotion in West Bengal and South Asia. Different from most contemporary books about this Dark Goddess, this book offers a liturgy of worship—a spiritual practice, the Song of the Hundred Names of Adya Kali, that readers can use to cultivate a direct devotional relationship to Kali. In Praise of Adya Kali is also a context-setting guide, establishing this practice as a general orientation to life. Most compelling, the text of this liturgy and Commentaries contain an intimate revelation of how the goddess establishes herself in her devotees' bodies and thus intervenes, by unconditional love and acceptance, in their lives. A lengthy Introduction, both scholarly and personal, describes the goddess and the possibilities that these prayers will offer. Aditi Devi guides us in how to build a shrine to Kali, various types of offerings to make to her, and suggests a schedule for how to use this liturgy with a long-term commitment over the course of 108 nights. "This Song of the Hundred Names is a powerful teaching that all forms are her forms," the author notes. Male, female, or other gendered, readers are presented with the possibility to experience the depths of their own internal feminine energies, and thereby come into greater healing and wholeness, more readily able to express this often neglected part of ourselves.

Alma Lewis:

Reading a book to get new life style in this year; every people loves to go through a book. When you study a book you can get a large amount of benefit. When you read books, you can improve your knowledge, because book has a lot of information into it. The information that you will get depend on what kinds of book that you have read. If you want to get information about your analysis, you can read education books, but if you act like you want to entertain yourself read a fiction books, these us novel, comics, and also soon. The In Praise of Adya Kali: Approaching the Primordial Dark Goddess Through the Song of Her Hundred Names will give you a new experience in examining a book.

Ann Macdonald:

As a student exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just minor students that has reading's internal or real their interest. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring in addition to can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this In Praise of Adya Kali: Approaching the Primordial Dark Goddess Through the Song of Her Hundred Names can make you really feel more interested to read.
