There was a time when Nick loved the fear he instilled in his enemies. His tattoos alone promised danger, but it was the look in his eyes that delivered on it. A contract killer since he was just a boy, Nick has now forged a new life—and a new identity—with the woman who followed him, captured him, and changed him. He terrified Daisy. Once. But she couldn't resist, and she ignored every warning. It paid off. Now she's part of a new beginning, a fresh start in America helping him to leave behind a reckless and violent past as a professional killer. But the past is never easy to outrun, especially when so much of it thrives on revenge. A new threat has emerged from the shadows, and now Nick and Daisy have no choice but to rely on Nick's killer skills to protect them from everything they've tried so hard to escape.
