In *Organic Outreach for Families*, Kevin and Sherry Harney share insights from the Scriptures and give practical advice from their own experience to help you learn how to transform your home into a lighthouse of God's amazing grace.

The Harneys discuss five ways you can naturally share your faith with others:

- Reaching your *own children* with the message of Jesus
- Sharing God's grace with your *extended family*
- Raising your children to be beacons of light in *their schools and in the neighborhood*
- Opening the doors of *your home* to make it attractive and welcoming
- Shining the light of grace into your *broader community*

The Harneys balance a concern for developing your home into a safe, secure environment with the biblical mandate for believers to be salt and light in the world. Pastors and parents will discover creative ways families can become a natural and winsome presence in their schools, through community activities, and as a witness in their neighborhoods.
