## **Religious Questions: Vexatious Answers** David Gustafson

Religious Questions explores the decay and obsolescence of Biblical myths, gods made in man's image, the absurdity of angels and heaven, and the futility of prayers. Ultimately religion is exposed for the travesty it has been for millennia: the longest-running con ever devised by man. This book is a rapier that goes to the heart of religious fundamentalism and the bankrupt religions that are more interested in power and control than truth and values.
