Want Some

Pam Ward

Want Some Pam Ward

"An intense ride that you will surely not forget!" --APOOO Book Club

In this gritty, fast-paced drama, author Pam Ward delivers the page-turning tale of a woman who's ready for a better life--at all costs. . .

Trudy, aka "Trudy with the Booty," is determined to escape South Central L.A. Trouble is, that requires financing. Plus, Trudy has no intention of leaving before she's dealt revenge to her slick-talking ex, Lil Steve. Ever since he started selling nude videos of her around the neighborhood, Trudy can barely walk the streets! His demise would be the icing on her cake, and now that she's gathered a crew to assist in her brilliantly designed bank heist, the future looks bright. But when Trudy indulges in a farewell fling with a stone cold killer who hates being played, it might be the worst mistake of her life. Can she pull off her plan without getting caught--or worse?

"Ward combines humor, drama, and scandalous behavior with flair. . .outspoken with an offbeat plot that readers will find compelling." --*RT Book Reviews*

"The action was fast, the tension high. . .an enjoyable story." --The RAWSISTAZ Reviewers

From reader reviews:

Eunice Bourque:

Do you have favorite book? If you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each book has different aim as well as goal; it means that publication has different type. Some people really feel enjoy to spend their the perfect time to read a book. They can be reading whatever they take because their hobby is reading a book. Think about the person who don't like studying a book? Sometime, particular person feel need book if they found difficult problem or maybe exercise. Well, probably you will require this Want Some.

Lila Smith:

Reading a e-book tends to be new life style in this era globalization. With studying you can get a lot of information that will give you benefit in your life. Having book everyone in this world could share their idea. Books can also inspire a lot of people. A lot of author can inspire their particular reader with their story as well as their experience. Not only the story that share in the textbooks. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors nowadays always try to improve their proficiency in writing, they also doing some study before they write to their book. One of them is this Want Some.

Kyle Gill:

Don't be worry should you be afraid that this book will certainly filled the space in your house, you will get it in e-book way, more simple and reachable. This Want Some can give you a lot of close friends because by you considering this one book you have issue that they don't and make anyone more like an interesting person. This particular book can be one of a step for you to get success. This book offer you information that possibly your friend doesn't understand, by knowing more than various other make you to be great folks. So , why hesitate? We need to have Want Some.

India Mead:

As a pupil exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some guide, they are complained. Just tiny students that has reading's heart or real their interest. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Want Some can make you feel more interested to read.
