Daniel Cohen

La prosperidad del mal (Spanish Edition) Daniel Cohen

Cohen constata la occidentalización del mundo, y eso no le tranquiliza. La economía ha modelado la sociedad a lo largo de la historia. La prosperidad del mal es un inmenso fresco que va desde el Imperio Romano al de Hollywood, de la crisis de los años treinta a la de las hipotecas subprime, de la Alemania del káiser a la China contemporánea. El propósito de este viaje es responder a una pregunta: ¿cómo Occidente, que ha sacado a la humanidad de su situación de hambre y de miseria, ha podido acabar sumido en el suicidio colectivo de dos guerras mundiales? ¿Cuál es el veneno, el vicio oculto que ha aniquilado Europa? La pregunta no es sólo retrospectiva. El mundo se occidentaliza hoy a toda velocidad. ¿Podrían repetirse las tragedias europeas en Asia u otros lugares? ¿Podrá el planeta evitar un nuevo suicidio colectivo, esta vez ecológico? Como la crisis financiera nos ha recordado brutalmente, sobre el capitalismo planea una duda. ¿Sabe adónde va, adónde arrastra al mundo? Guiado por una extraordinaria capacidad de divulgación, Daniel Cohen traza la historia de la humanidad y las incertidumbres que pesan sobre su destino con inigualable concisión y erudición. «Daniel Cohen nos ofrece una magistral y accesible lección de historia de la economía.» Le Nouvel Observateur «¡Atención, best seller! He aquí un libro brillante, clarísimo, fácil y a la vez muy agradable de leer.» L'Express
