## **Robert Rauschenberg (MoMA Artist Series)** Carolyn Lanchner

Robert Rauschenberg made a tremendous impact on Modern art in the twentieth century. As a pioneer of Pop art, he was a key figure in the postwar tradition that brought American art to the forefront of the international scene. This new volume in the *MoMA Artist Series*, which explores important artists and favorite works in the collection of The Museum of Modern Art, guides readers through a dozen of the artist's most memorable achievements. A short and lively essay by Carolyn Lanchner, a former curator of painting and sculpture at the Museum, accompanies each work, illuminating its significance and placing it in its historical moment in the development of Modern art and the artist's own life. This volume provides a unique overview of someone who shaped the development of American art since mid-century and is an excellent resource for readers interested in the stories behind the masterpieces of the Modern canon.
