O velório da calcinha (Portuguese Edition) Mônica Schotgues

O Velório da Calcinha narra a iniciação sexual de dois jovens estudantes de medicina na década de 1980 e as repercussões das vivências daquela época na vida de ambos nos trinta anos seguintes. De forma descontraída, após um reencontro com o escolhido, risos e choros oscilam como uma montanha-russa nas emoções da personagem principal, Chloe, evoluindo até o velório de uma calcinha guardada intacta por mais de 30 anos. O romance transforma a experiência (não tão bem sucedida) da "primeira vez", em um encontro entre a mulher madura e a menina cheia de medos e inseguranças adolescentes que ficou guardada desde “aquele” dia, demonstrando as dificuldades atemporais pertinentes à escolha da pessoa certa para a “primeira vez”. Descontraído e bem humorado, O Velório da Calcinha agradará diversos tipos de pessoas, permitindo a cada leitor um enfoque singular. Cada idade, cada gênero, com seus olhares únicos. Sem dúvida, surpreendente e cativante!
